We have audited the financial statements on page 3 to 5 which have been prepared in accordance with accounting principles generally accepted in Hong Kong.

Respective responsibilities of chairman and auditors

The Institute is required to prepare financial statements which give a true and fair view. In preparing financial statements which give a true and fair view, it is fundamental that appropriate accounting policies are selected and applied consistently.

It is our responsibility to form independent opinion, based on our audit, on those statements and to report our opinion to you.

Basis of opinion

We conducted our audit in accordance with Statements of Auditing Standards issued by the Hong Kong Institute of Certified Public Accountants. The audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgments made by the members in the preparation of the financial statements, and of whether the accounting policies are appropriate to the Institute circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance as to whether the financial statements are free from material misstatement. In forming our opinion, we also evaluated the overall adequacy of the presentation of information in the financial statements. We believe that our audit provides a reasonable basis for our opinion.
